STEM Action Center Highlights

The STEM Action Center Has Moved

We are excited to announce that the Utah STEM Action Center has moved to a new location. We are now located at 3848 S. West Temple in South Salt Lake.

This new location will allow us to be better connected within the community and offer exciting new opportunities to students around the state. Stay tuned for more information as we get settled.

STEM Network

The Utah STEM Action Center and the Utah System of Higher Education have partnered to bring you the **Utah STEM Network** Facebook group. This page is dedicated to creating a community space for people in STEM to share resources, inspire innovation and creativity, and welcome dialogue among peers. Whether you are a school teacher, parent, community partner, or industry professional, this page will connect you with others who share a passion for STEM in Utah.

To join, please visit <https://www.facebook.com/groups/243408660435447/>.

STEM - Covid Information Kits

Kids across Utah are back in the classroom in different capacities and they have a lot of questions to ask when it comes to COVID-19. With the help of the STEM Action Center and Southern Utah University, students in Iron County are becoming experts.

Watch Video

4-H Partners with Bill Nye

Throughout the month of October, youth from across the country will apply their knowledge, creativity, and innovation in learning about STEM topics during the 13th annual 4-H STEM Challenge. Formerly known as 4-H National Youth Science Day, this year's STEM Challenge, Mars Base Camp, will explore the theme of sending humans on a mission to Mars.
